- (a) A right or remedy created by this agreement cannot be waived except in writing signed by the party entitled to that right. Delay by a party in exercising a right or remedy does not constitute a waiver of that right or remedy, nor does a waiver (either wholly or in part) by a party of a right operate as a subsequent waiver of the same right or of any other right of that party.
- (b) The fact that a Party fails to do, or delays in doing, something the Party is entitled to do under this agreement, does not amount to a waiver of any obligation of, or breach of obligation by, another Party. A waiver by a Party is only effective if it is in writing. A written waiver by a Party is only effective in relation to the particular obligation or breach in respect of which it is given. It is not to be taken as an implied waiver of any other obligation or breach or as an implied waiver of that obligation or breach in relation to any other occasion.

**16.13 GST**

- (a) Words and expressions which are not defined in this agreement but which have a defined meaning in GST Law have the same meaning as in the GST Law.
- (b) Unless otherwise expressly stated, all prices or other sums payable or consideration to be provided under this agreement are exclusive of GST.
- (c) If GST is imposed on any supply made under or in accordance with this agreement, the recipient of the supply must pay the GST or an amount equal to the GST payable on or for the taxable supply, whichever is appropriate in the circumstances.

**16.14 Governing law and jurisdiction**

- (a) The Laws applicable in New South Wales govern this agreement.
- (b) The parties submit to the non-exclusive jurisdiction of the courts of New South Wales and any courts competent to hear appeals from those courts.

## Schedule 1 Calculation of Monetary Contributions

### Monetary Contribution – Modification Application

#### Visitor Parking

- (a) The *Burwood Development Control Plan*, adopted on 12 February 2013 (amended 10 March 2015), provides that the following formula will apply for calculating monetary contributions in lieu of visitor car parking:

*(Number of spaces not being provided on site x cost of an on-site parking space) x 0.8*

Note that the calculation must be undertaken on the basis of the number of car spaces required to 1 decimal point without rounding to a whole number.

- (b) On the calculations, 8.8 visitor car spaces are required.
- (c) The proposed modification will remove 8.8 visitor car spaces.
- (d) The number of visitor car spaces not provided on site is therefore 8.8.
- (e) Under the original planning agreement, 1.4 visitor car spaces were already paid for
- (f) The parking shortfall required to be paid for under this monetary contribution is therefore 7.4 visitor car spaces.
- (g) A reasonable rate per parking space is \$49,500.00.

The monetary contribution payable is therefore  $(7.4 \times \$49,500) \times 0.8 = \mathbf{\$293,040.00}$
