A Party is not obliged to give its reasons for giving or withholding consent or for giving consent subject to conditions.

14. Assignment and Dealings

The Developer agrees that this Planning Agreement shall be binding upon the Proprietor and the Developer and upon their respective transferees, assignees or successors.

15. Costs

- 15.1. The Developer shall bear the Council's costs directly related, and incidental to negotiating, preparing, executing, stamping and registering the Planning Agreement, including any costs of lodging/removing caveats on the title to the Land.
- 15.2. The Developer will pay Council's reasonable legal costs not exceeding \$5,000.00 (five thousand dollars) directly related, and incidental to negotiating, preparing, executing, stamping and registering the Planning Agreement and of drafting, registering and removing caveats on the title to the Land.

16. Entire agreement

This Agreement contains everything to which the Parties have agreed in relation to the matters it deals with. No Party can rely on an earlier document, or anything said or done by another Party, or by a director, officer, agent or employee of that Party, before this Agreement was executed, except as permitted by law.

17. Further acts

Each Party must promptly execute all documents and do all things that another Party from time to time reasonably requests to affect, perfect or complete this Agreement and all transactions incidental to it.

18. Governing law and jurisdiction

This Agreement is governed by the law of New South Wales. The Parties submit to the non-exclusive jurisdiction of its courts and courts of appeal from them. The Parties will not object to the exercise of jurisdiction by those courts on any basis.

19. Joint and individual liability and benefits

Except as otherwise set out in this Agreement, any agreement, covenant, representation or warranty under this Agreement by two (2) or more persons binds them jointly and each of them individually, and any benefit in favour of two (2) or more persons is for the benefit of them jointly and each of them individually.

construed as limiting or fettering in any way the exercise of any statutory discretion or duty.

21. Representations and warranties

The Parties represent and warrant that they have power to enter into this Agreement and comply with their obligations under the Agreement and that entry into this Agreement will not result in the breach of any law.

22. Severability

If a clause or part of a clause of this Agreement can be read in a way that makes it illegal, unenforceable or invalid, but can also be read in a way that makes it legal, enforceable and valid, it must be read in the latter way. If any clause or part of a clause is illegal, unenforceable or invalid, that clause or part is to be treated as removed from this Agreement, but the rest of this Agreement is not affected.

23. Modification

No modification of this Agreement will be of any force or effect unless it is in writing and signed by the Parties to this Agreement.

24. Waiver

The fact that a Party fails to do, or delays in doing, something the Party is entitled to do under this Agreement, does not amount to a waiver of any obligation of, or breach of obligation by, another Party. A waiver by a Party is only effective if it is in writing. A written waiver by a Party is only effective in relation to the particular obligation or breach in respect of which it is given. It is not to be taken as an implied waiver of any other obligation or breach or as an implied waiver of that obligation or breach in relation to any other occasion.

The recipient of a supply must also pay the GST payable in respect of a supply for which no monetary consideration is payable when the maker of the supply demands payment.
- 26.4. The maker of a supply must give the recipient a tax invoice in the form required by the GST Act at the same time it receives payment from the recipient of the GST payable for that supply.
