13. Approvals and consent

Except as otherwise set out in this Planning Agreement, and subject to any statutory obligations, a party may give or withhold an approval or consent to be given under this Planning Agreement in that party's absolute discretion and subject to any conditions determined by the party. A party is not obligated to give its reasons for giving or withholding consent or for giving consent subject to conditions.

14. Assignment and dealings

The Developer agrees that this Planning Agreement shall be binding upon the Developer and upon his respective transferees, assignees or successors.

15. Costs

The Developer shall bear its own costs directly related, and incidental, to negotiating, preparing, executing, stamping and registering the Planning Agreement, including any costs of lodging/removing caveats on the title to the Land.

16. Entire Agreement

This Planning Agreement contains everything to which the parties have agreed in relation to the matters it deals with. No party can rely on an earlier document, or anything said or done by another party, or by a director, officer, agent or employee of that party, before this Planning Agreement was executed, except as permitted by law.

17. Further acts

Each party must promptly execute all documents and do all things that another party from time to time reasonably requests to affect, perfect or complete this Planning Agreement and all transactions incidental to it.

18. Governing law and jurisdiction

This Planning Agreement is governed by the law of New South Wales. The parties submit to the non-exclusive jurisdiction of its courts and courts of appeal from them. The parties will not object to the exercise of jurisdiction by those courts on any basis.

19. Joint and individual liability and benefits

Except as otherwise set out in this Planning Agreement, any agreement, covenant, representation or warranty under this Planning Agreement by two (2) or more persons binds them jointly and each of them individually, and any benefit in favour of two (2) or more persons is for the benefit of them jointly and each of them individually.

20. No fetter

Nothing in this Planning Agreement shall be construed as requiring Council to do anything that would cause it to be in breach of any of its obligations at law, and without limitation, nothing shall be constructed as limiting or fettering in any way the exercise of any statutory discretion or duty.

21. Representations and warranties

The parties represent and warrant that they have power to enter into this Planning Agreement and comply with their obligations under the Planning Agreement and that entry into this Planning Agreement will not result in the breach of any law.

22. Severability

If a clause or part of a clause of this Planning Agreement can be read in a way that makes it illegal, unenforceable or invalid, but can also be read in a way that makes it legal, enforceable and valid, it must be read in the latter way. If any clause or part of a clause is illegal, unenforceable or invalid, that clause or part is to be treated as removed from this Planning Agreement, but the rest of this Planning Agreement is not affected.

23. Modification

No modification of this Planning Agreement will be of any force or effect unless it is in writing and signed by the parties to this Planning Agreement.

24. Waiver

The fact that a party fails to do, or delays in doing, something the party is entitled to do under this Planning Agreement, does not amount to a waiver of any obligations of, or breach of obligations by, another party. A waiver by a party is only effective if it is in writing. A written waiver by a party is only effective in relation to the particular obligation or breach in respect of which it is given. It is not to be taken as an implied waiver of any other obligation or breach or as an implied waiver of that obligation or breach in relation to any other occasion.

25. The explanatory note put on exhibition with this Planning Agreement is not to be used in construing the terms of this Planning Agreement.

26. GST

26.2 The consideration for any supply under this Planning Agreement excludes GST;

26.3 Where a party to this Planning Agreement is taken to have made a supply to another party, the recipient of that supply must, in addition to the consideration payable for the supply and when paying the consideration for the supply, also pay to the maker of the supply an amount equal to the GST payable in respect of that supply. The recipient of a supply must also pay the GST payable in respect of a supply for which no monetary consideration is payable when the maker of the supply demands payment;

- 26.4 The maker of a supply must give the recipient a tax invoice in the form required by the GST Act at the same time it receives payment from the recipient of the GST payable for that supply;
- 26.5 Despite any other provision of this Planning Agreement, any amount payable under this Planning Agreement, which is calculated by reference to an amount paid or incurred by a party to this Planning Agreement, is reduced by the amount of any input tax credit to which that party or a member of its GST Group is entitled in respect of that amount.
27. **Confidentiality**

The terms of this Planning Agreement are not confidential and this Planning Agreement may be treated as a public document and exhibited or reported without restriction by any party.

28. Once the Council is satisfied that the Developer has fully complied with all of its obligations under this Planning Agreement, the Council agrees to provide a full release and discharge of this Planning Agreement with respect of the whole of the Land. In such circumstances the Council will do all things reasonably necessary, including the execution of any documents to enable the Developer to remove any caveat and the notation of this Planning Agreement on the title to the Land.
