Stronger Minds Stronger Youth

I was proud to launch Council's 'Stronger Minds, Stronger Youth' initiative with the support of our local schools and the Department of Social Services recently.

Utilising board games to create a more positive landscape, this program highlights the steps we take as Council to encourage our youth to listen, learn and discuss health issues in a safe environment.

Support Burwood and Strathfield Businesses

Reinvigorating our local business community is one of my priorities in the recent weeks.

That's why I am committed to our long-running #burwoodeats campaign which encourages our community to eat out, shop and support our local businesses.

My recent visits to restaurants in the Burwood and Strathfield areas, and dining with the locals has had a positive effect and businesses reported that there is a boost in customer confidence.

Futsal field in Henley Park open

A new \$300,000 futsal field in Henley Park has given the community yet another reason to visit this expansive green space in Enfield. The 25m x 40m field near the corner of Mitchell and Portland Streets has already been discovered by locals who are keen to test their skills. And the synthetic, all-weather surface means play can go ahead even when it's wet.

Trivia night for youth week

A new pool for Enfield Aquatic Centre

Exciting works are underway at the Enfield Aquatic Centre over the next few months. Ready for summer, the **\$5.4M** stage two upgrades will result in an all-ages heated indoor Learn to Swim Pool. The works will take 33 weeks to build and is scheduled to open end Oct 2020 in time for summer.
