Innovation and Youth Engagement

Each year Council delivers free Civic Leadership training for our Burwood Youth Advisory Group (BYAG).

I was proud to see the group are committed to focusing on 'Innovation' and 'Youth Engagement' in the Burwood area, and developing project plans for two fantastic community programs that they will continue to build on throughout the year.

Night becomes day in Henley Park

Henley Park was showcased in the best light recently with the 13 new floodlights turned on for the first time.

This improved infrastructure will increase the use of the oval as well as providing safe access for park users.

Installation of the lighting system was made possible by a combined effort from the State Government, Council, Football NSW and Canterbury & District Soccer Football Association.

Multicultural Film Festival at Artisans Market

The Woodstock Artisans Market is back again by popular demand with a wide variety of unique, handmade homewares, fashion, art, ceramics and jewellery.

In an exciting addition to the market, Burwood locals will be presented a series of clips and short videos through Council's Multicultural Film Festival that aims at exploring what Home and Heritage mean to us. You will get a glimpse into the lives and hearts of your neighbours. A playground and picnic area creates an inviting space to take a break from the stalls. Free entry.
