### Service Our Area

Summer might be over but Council continues providing civic events to our community in order to foster a sense of pride in the local area.

We recently held the Anzac Day March and Dawn Service at Burwood Park to commemorate and pay tribute to our service personnel, past and present, for their bravery and courage in military and peacekeeping operations.

Yesterday I was pleased to join Wrap with Love at its ninth birthday celebration at Woodstock. Since 1992, the group has been knitting more than 400,000 wraps that are given to communities across Australia and worldwide.

Celebrate Burwood's rich and unique cultural heritage at our Burwood Library and Community Hub this May as local Artist and ceramicist, Anthea Feilen has put together a wonderful exhibition of the chimneys of the Appian Way.

I encourage all to come along and take this opportunity to learn more about Burwood's history and local heritage.

Lest we forget

### More Trees for Greener Burwood

As Mayor I have always been passionate about protecting and developing important assets for current and future generations. To help increase Burwood's tree canopy, I am thrilled to announce that Council has resolved to contribute \$100,000 in funding to plant 500 new trees, as part of the plan to make our area greener, cleaner and healthier.

For current and future generations
