Supporting Our Community

Our area is a wonderful place, thanks to its vibrancy, diversity and sense of community. We are committed to provide an array of social and recreational activities for everyone.

I recently visited Mobile Playvan in Burwood Park and was amazed at how far the service has come over the years. Operating four days a week, it's a free and fun program designed for children aged 0-6 years, and has been providing an important platform for countless grandparents, parents, carers here in the Burwood Local Government Area to meet, socialise and play together.

It was a busy weekend! I joined dancers, performers and of course our locals for a successful Lion Dance Parade and Red Packet Walk along Burwood Road, bringing good fortune and prosperity to our local community for the Year of the Pig.

Meanwhile, our beautification project is gearing up with the installation of colourful tree lighting along Railway Parade and landmark tree planting in Woodstock. Our capital works program rolls on with a significant upgrade to local roads, footpaths and parks underway.

It will be another busy year for Council and I look forward to working with you to make Burwood a better place to live, work and enjoy.

Seniors Festival is back!

Burwood Council is proud to present the 2019 Seniors Festival where there will be programs and activities including cyber safety talks, silent disco, line dancing, and special movie screenings. We invite seniors and members of the community to join us as we thank, celebrate and recognise seniors for the positive contributions they make to our community.

Come along and find out more by calling Burwood Council on 9911 9911.

Online Application Tracker

I am pleased to announce that Council has launched its Online Application Tracker, providing residents and businesses with easy access to more detailed property, planning and development information, documents and certificates on Council's website.

The newly implemented Online Tracker is a self-service tool which enables residents and businesses to track the progress of development applications, construction certificates, complying development applications and occupation certificates from any internet connected device (including smartphones).

Visit www.burwood.nsw.gov.au to find out more.

Development Applications Received
