### Serving our community

I am committed to ensuring that the Burwood Local Government Area has quality public spaces as well as leisure and recreational opportunities.

That's why I am excited to announce that Burwood Council was successful in receiving \$330,000 of grant funding from Sports Australia for our Burwood Challenger Obstacle Course.

The Burwood Challenger Obstacle Course will be designed to increase youth participation in constructive recreational-based fitness activities.

The course will also create a significant opportunity for underrepresented groups including women in sport, disengaged youth and people with a disability, to utilise our free and innovative new fitness structure.

Council is looking forward to working on this exciting project that will help us continue building a sense of community and belonging. I will keep you informed of our progress.

Mayor Faker's excited about the upcoming Burwood Challenger Obstacle Course

### Taking action against abandoned trolleys

Did you know? It is an offence to leave a trolley in a public place and fines exceed \$200.

Council tagged and reported 192 shopping trolleys for retailers to collect last quarter to ensure our streets are safe and attractive for all residents and visitors, but we need your help to combat abandoned shopping trolleys.

Please ensure that your shopping trolley is returned to the shopping centre when you are finished using it.

If you see an abandoned trolley please contact Coles on 1800 876 553 or Woolworth on 1800 641 497.

Council is calling for volunteers to join our #NoAbandonedTrolleys Campaign. Please contact Council on 9911 9911 if you are interested in becoming one of our campaign ambassadors.

### Slow down to 50 on local streets

Burwood Council together with RMS are targeting speeding drivers in the Burwood LGA.

We are encouraging local residents to request a reflective garbage bin sticker that you can place on your garbage bin that on the night of collection reminds drivers to slow down on our local streets.

Stickers are free to collect from Burwood Council and your commitment to stamping our speed is helping us to achieve zero road deaths across NSW by 2020.

Mayor Faker urges driver to slow down to 50 on local streets
