Pursuant to Section 491 of *Local Government Act 1993*, Council may obtain income from:

- Rates
- Charges
- Fees
- Grants
- Borrowings
- Investments

Rates

Revenue will be raised by way of general residential and non-residential rates, based on land values of all rateable properties in the Council area.

Council's Rating Policy is based on a minimum rate/ad-valorem structure comprising:

- Ordinary Rate – Residential
- Minimum Rate – Residential
- Ordinary Rate – Residential Town Centre
- Minimum Rate – Residential Town Centre
- Ordinary Rate – Business A
- Ordinary Rate – Business B
- Ordinary Rate – Business C
- Ordinary Rate – Business D
- Ordinary Rate – Business Town Centre Minor Business
- Minimum Rate – Business A, B, C, D and Town Centre Minor Business

The Rate Yield for 2021-2022 with the Special Rate Variation increase of **4.5%** and rates are shown in the following table:

*Pursuant to Section 518B of the *NSW Local Government Act 1993* inter alia land valuations carrying a Mixed Development Apportionment Factor (MDAF) are rated proportionally between Ordinary – Residential and Ordinary – Business A minimum/ad-valorem rates according to the MDAF percentages supplied by the NSW Valuer General. This accounts for the fractional number of assessments in the above table.

Rateable properties that are categorised as *Business B*, *Business C*, *Business D* and *Town Centre Minor Business* are shown in the Draft Statement of Revenue Policy.

Rateable properties that fall within the *Burwood Town Centre Boundary* area and are residentially occupied are categorised *Residential Town Centre*.

Those rateable properties that fall outside the *Burwood Town Centre Boundary* and are residentially occupied are categorised *Residential*. Unless categorised otherwise, the remaining rateable properties are categorised *Business A*.

The rates for 2021-2022 will be levied on land valuations supplied by the NSW Valuer General with a base date of 1 July 2019.

Pursuant to Section 566 of the *Local Government Act 1993* interest will accrue on all overdue rates and charges.

In accordance with Section 566(3) of the Act, the Minister has been determined that the maximum rate of interest payable on overdue rates and charges for the period 1 July 2021 to 30 June 2022 (inclusive) will be **6.0% per annum**.

Council Additional Pensioner Rebate

In the 2018-2019 rating year Council introduced a rebate of \$50 be granted in addition to any other pensioner rates concession granted to a rates assessment of an eligible pensioner.

In the 2019-2020 rating year the additional rebate was increased to: \$75

In the 2020-2021 rating year the additional rebate was increased to: \$125

Arising from Mayoral Minute 8/21 Council resolved to provide to pensioners a one-off additional increase of \$25 such that the additional rebate will be: **\$150** for the 2021-2022 rating year.

This is a continuation of the relief measures implemented by Burwood Council in response to the COVID-19 pandemic.

Charges

Stormwater Management Service Charge

The Stormwater Management Service Charge (SMSC) was introduced in the 2013-14 financial year to establish a sustainable funding source for providing improved stormwater management across the Burwood Local Government area. In summary, the proposed Stormwater Management Services Charges are:

- Residential property: \$25 per annum (approximately 48 cents per week)
- Residential strata property: \$12.50 per annum (approximately 24 cents per week)
- Business property: \$25 per annum plus an additional \$25 for each 350m² or part thereof by which the parcel of land exceeds 350m²
- Business strata property: the above divided pro-rata between each strata title lot according to the unit entitlement with a minimum of \$5

The yield of the Stormwater Management Service Charges is \$294,142.50

Residential Waste Service Charge

Residential waste service charges are made on an annual basis and are equal to the cost of providing residential waste removal and disposal, recycling and waste management education.

The *standard* Residential Waste service consists of a 120 litre bin, a 240 litre recycling bin, a 240 litre green waste bin and two general clean-ups per annum.

In 2021-2022 it is proposed that the *standard* Residential Waste Service Charge will be set at \$430.00, representing an increase of \$10.50 or 2.5%pa compared to the 2020-2021 Residential Waste Service Charge.

The yield of the Residential Waste Service Charges is \$6,556,347.45

Section 611 Charges

The approximate yield for the s611 Charges (Gas Mains Assessment) is \$26,000.

Fees

Council may charge and recover an approved fee for any service it provides, other than a service provided for, or proposed to be provided, on an annual basis for which it may make an annual charge. Services for which an approved fee may be charged include the following:

- Supplying a service, product or commodity
- Giving information
- Providing a service in connection with the exercise of the Council's regulatory functions – including receiving an application for approval, granting an approval, making an inspection and issuing a certificate
- Allowing admission to any building or enclosure

Section 610F prohibits a Council from determining a fee until it has given public notice of its Draft Operational Plan for the year in which the fee is to be made and has considered any submissions received. However pursuant to Clause 201(4) of the *Local Government (General) Regulation 2005* the statement of fees and the statement of pricing methodology need not include information that could confer advantage to a commercial competitor.

The Draft Schedule of Fees & Charges for 2021-2022 is prepared in accordance with legislative changes, movements of consumer price index and user-pays principles. The schedule includes each fee, its description, the amount of the fee and details of the relevant Pricing Policy (where shown) and the applicability of GST.

Grants

Council applies for and uses both operating and capital grants to fund its operations and capital program respectively. Grant funding for particular activities or programs are listed in the budget.

Borrowings

Council will be borrowing loan funds of \$1,000,000 during the 2021-2022 financial year.

Any borrowings will be sourced from appropriate financial institutions in accordance with the Local Government Minister's borrowing order. Borrowings are secured over Council's revenue stream in accordance with the *Local Government Act 1993* as amended.

Investments

Any surplus funds will be invested in accordance with statutory requirements and Council's Investment Policy to maximise interest income.

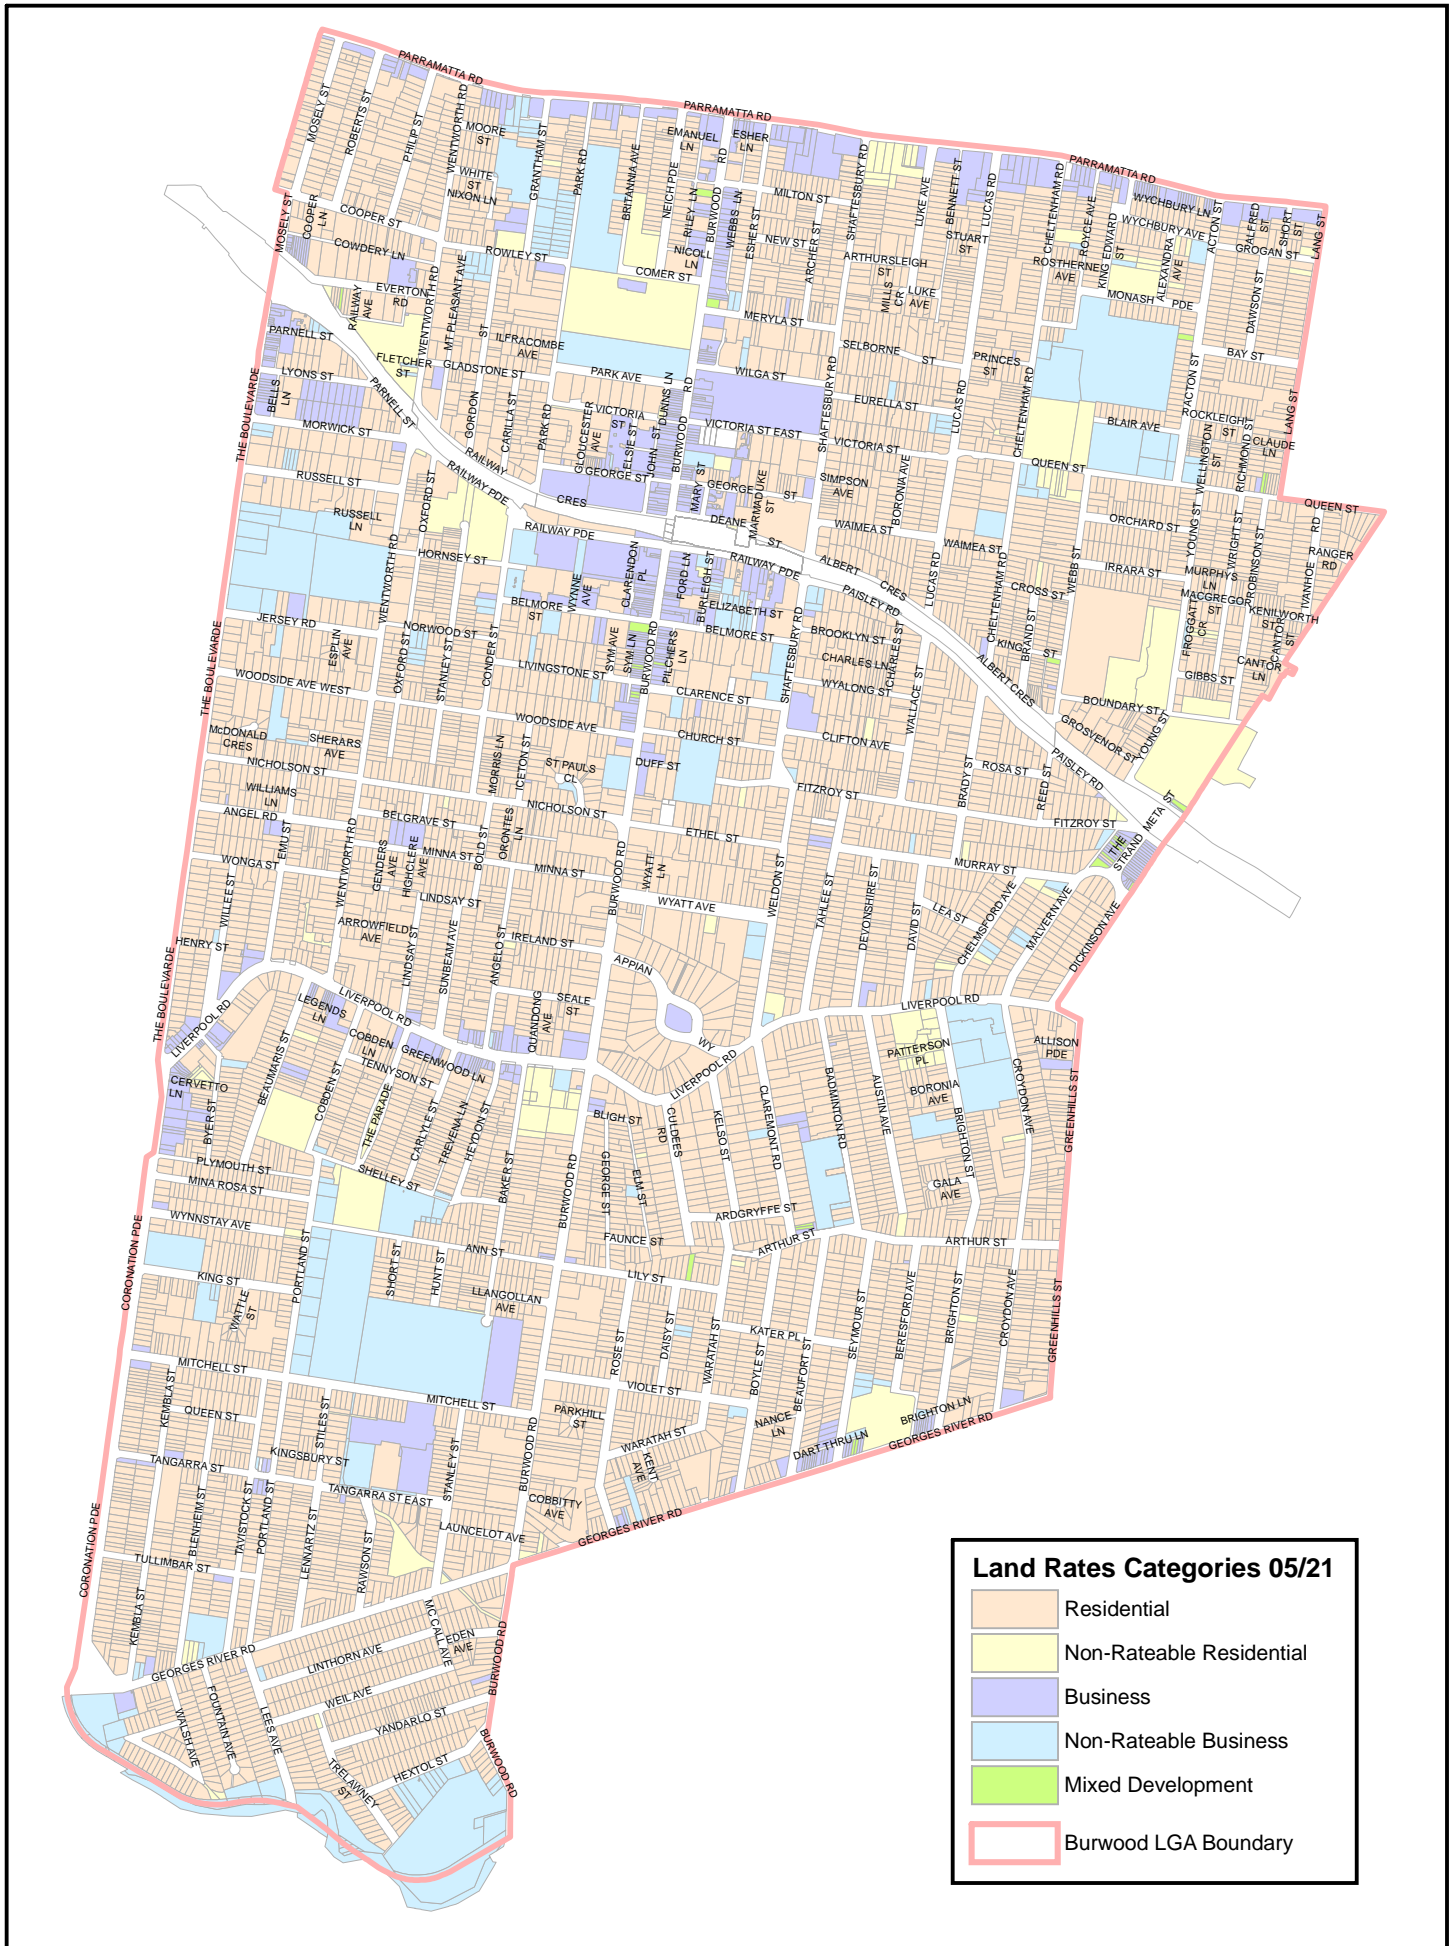

GST Provisions

Those goods and/or services that have been subject to GST have been identified in Council's Draft Schedule of Fees & Charges as GST applying. In accordance with taxation legislation the price shown for those goods and/or services is the GST inclusive price.

The Draft Schedule of Fees & Charges for 2021-2022 has been prepared using the best available information in relation to the GST.

However if a fee that is shown as being subject to GST is subsequently proven not to be subject to GST then that fee will be amended by reducing the GST to Nil. Conversely, if it is determined that a fee shown as being not subject to GST becomes subject to GST then the fee will be increased but only to the extent of the GST.

Pricing Policy [continued]

In cases where the amount of fees and charges for service is determined under another Act or regulatory body, Council's policy is not to determine an amount that is inconsistent with the amount determined under the other Act or regulatory body.

All of Council's fees and charges not subject to statutory control are reviewed on an annual basis prior to finalisation of Council's annual operating budget. However, in special circumstances, fees and charges can be reviewed and approved by Council in accordance with the Local Government Act 1993 and Regulations.

Price Codes

FC - Full Cost Pricing

Council recovers all direct and indirect costs of the service (including depreciation of assets deployed).

PC - Partial Cost Pricing

Council recovers less than the full cost (as defined above). The reasons may include community service obligation, priorities or legislative limits on charging.

LR - Legislative Requirements

Price of the service is determined by Legislation, and dependent on price, may or may not recover full cost.

MP - Market Pricing

The price of the service is determined by examining alternative prices of surrounding service providers (this also may or may not recover the full costs of the service) eg children's services.

Z - Free (Zero Priced)

Some services may be provided free of charge and the whole cost determined as a community service obligation and / or may fall within a class of public good.

RR - Rate of Return Pricing

This would include Full Cost Pricing as defined above in addition to a profit margin to factor in a return to Council for assets employed.

BD - Bonds and Deposits

Refundable deposit against possible damage to Council property.

Goods and Services Tax Act 1999 (GST)

Those goods and/or services that have been subject to GST have been identified in Council's Fees and Charges as GST applying. In accordance with taxation legislation the price shown for those goods and/or services is the GST inclusive price.

The Fees and Charges for 2021-22 have been prepared using the best available information in relation to the GST.

However, if a fee is shown as being subject to GST is subsequently proven not to be subject to GST then that fee will be amended by reducing the GST to Nil.
