Garbage Collection Days

Clean Up Guidelines

Each residential property has two free cleanups per year:

- One scheduled clean up (date set by Council)
- One phone in clean up

Clean Up material should be placed on the nature strip / footpath area at the front of your property.

- The maximum quantity is not to exceed one (1) level small ute load, or 1.5m³ (cubic metres).

Council will **NOT** collect

- Green waste (grass, garden prunings)
- Building material (concrete, timber, metal sheeting)
- Any material containing asbestos
- Car parts
- Any material that is offensive or dangerous (including gas bottles)
- Putrescible matter (household garbage)
- Objects too large or too heavy.

Please refer to Council's website for information on alternate recycling options.

Have you seen the Burwood Council Waste Info App? this tool will allow you to manage waste, recycle properly and how to deal with tricky waste items. Available for iOS and Android Devices.

Download from the App Store and Google Play.
