26 November 2020

Dear Resident,

RAILWAY PARADE, BURWOOD – BEAUTIFICATION WORKS

I am writing to inform you that as part of Burwood Council's annual Capital Works Program, Council will be continuing the beautification program along Railway Parade between Burwood Road and Shaftesbury Road. Works will include widening the footpath, replacement of the concrete path with pavers, new smart poles for street lighting, new street furniture and streetscape planting.

Council has engaged Ally Civil Pty Ltd to undertake these civil works and these works are scheduled to commence shortly. Due to the high traffic volumes during peak hours and the location of the works being in close proximity to the traffic signals, a road occupancy license has been obtained from RMS. As such, works will be undertaken concurrently as both day and night works.

Council's contractors will be engaging traffic controllers to facilitate the movement of traffic through the work sites however, it can be expected that during the course of the works, access and egress to properties may be restricted, as will on street parking. Council's contractor will notify effected residents and businesses to liaise with them during the works.

Council will endeavor to complete these works as quickly as possible to reduce the inconvenience to residents. Should you require any further information and / or clarification, please do not hesitate to contact me on 9078-6163 during regular work hours or by email at civil@burwood.nsw.gov.au

Thank you in anticipation for your co-operation in this matter. By working together we can make our Community an even better place to live, work and enjoy.

Yours sincerely

Michael Limnos
GROUP MANAGER, OPERATIONS

RAILWAY PARADE EAST, BURWOOD

STREETSCAPE UPGRADE

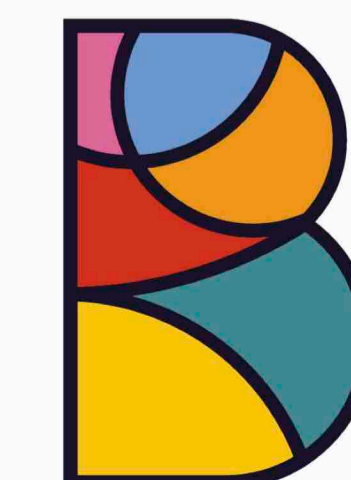

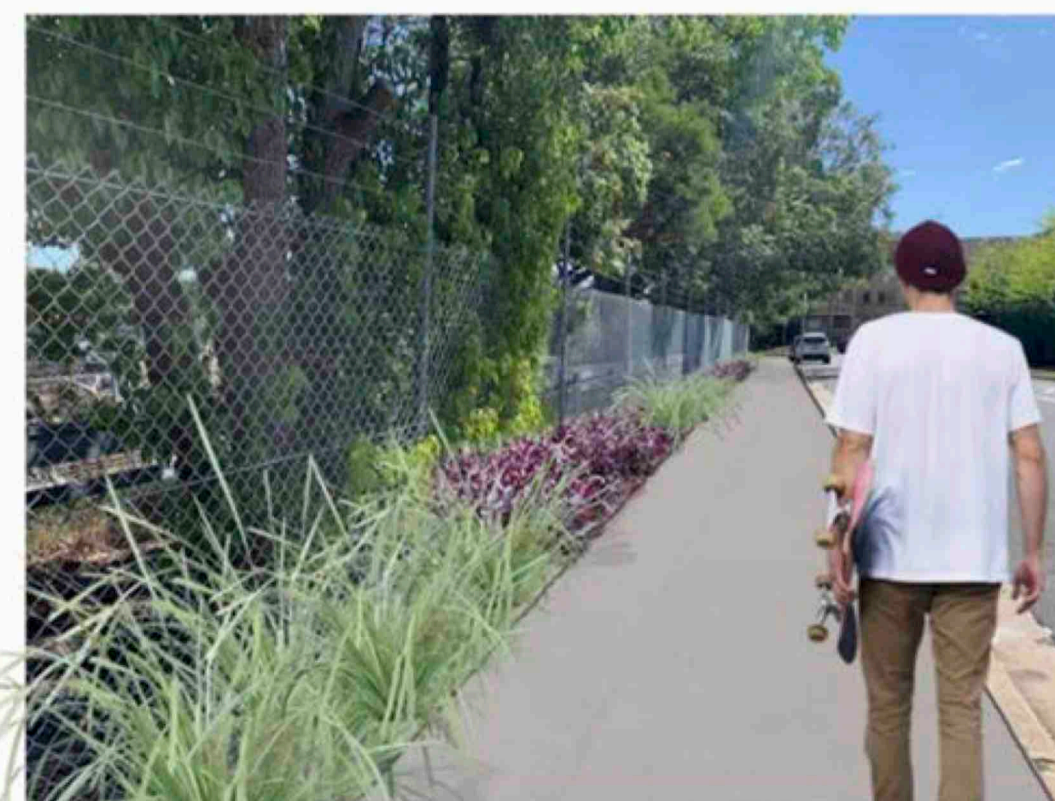

Council will be commencing works for the construction of the streetscape upgrade project located at Railway Parade East, Burwood between Burwood Road and Shaftsbury Road, Burwood.

Railway Parade East forms part of the east west link between the town centres of Croydon, through Burwood to Strathfield. The landscaping integrated with the upgrade to Railway Parade East aims to both improve the visual quality and user amenity for pedestrians and motorists between Shaftsbury Road and Burwood Road and strengthen the streetscape and urban character between Railway Parade East and Railway Parade West.

User amenity will be greatly improved through new wider footpaths, new multipurpose poles integrating street lighting, hanging baskets and banners and new street furniture including seats, litter and recycle bins. The planting character of Railway Parade East will be extended with the planting of 6 mature *Livistona australis* Cabbage tree Palms in new planter build outs adjacent to the northern footpath.

Council is committed to minimising disruption to local businesses, residents and the community. Council thanks you for your support and patience during these construction activities.
