Dear Resident,

THE STRAND, CROYDON – PLANTING BEAUTIFICATION WORKS

I am writing to inform you that as part of Burwood Council's continuing Beautification Works Program, additional landscape plantings will be carried out on the traffic island at the Strand, Croydon adjacent to the roundabout, connecting Malvern Avenue and Thomas Street.

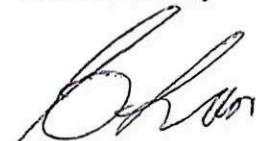

Council has engaged Solid Ground Landscapes Pty Ltd to undertake these landscaping works commencing 26 February 2021. These works are scheduled to be undertaken during day time hours.

Council's contractors will be engaging traffic controllers to facilitate the movement of traffic through the work sites however, it can be expected that during the course of the works, access and egress to properties may be restricted. Council's contractor will notify effected residents and liaise with them during the works. .

Council will endeavor to complete these works as quickly as possible to reduce the inconvenience to residents. Should you require any further information and / or clarification, please do not hesitate to contact me on 9078-6156 during regular work hours or by email at chris.lane@burwood.nsw.gov.au

Thank you in anticipation for your co-operation in this matter. By working together we can make our Community an even better place to live, work and enjoy.

Yours sincerely

Chris Lane
