Our Ref.: 20/44577

Dear Resident,

### **WENTWORTH ROAD, STRATHFIELD – FOOTPATH REHABILITATION WORKS**

I am writing to inform you that as part of Burwood Council's annual Capital Works Program, several segments of footpath along Wentworth Road, Strathfield have been identified for rehabilitation. These include the following segments

- Eastern side from Gladstone Street to Everton Road – #58-60A Wentworth Road to #50 Wentworth Road
- Western side from Everton Road to Cowdery Lane – #1 Everton Road to 47A Wentworth Road
- Eastern side from Nixon Lane to White Street – #1 White Street, Wentworth Road frontage
- Eastern side from White Street to Moore Street – #2 White Street to #1 Moore Street

Council has engaged Mack Civil Pty Ltd to undertake these civil works within the coming weeks. Due to the high traffic volumes during peak hours and the location of the works being in proximity to the traffic signals, a road occupancy license may be required to be obtained from RMS. As such, some segments of the proposed works may be undertaken as night works. Works will be expected to take up to three weeks weather permitting.

Council's contractors will be engaging traffic controllers to facilitate the movement of traffic through the work sites however, it can be expected that during the course of the works, access and egress to properties may be restricted. Council's contractor will notify effected residents and liaise with them during the works.

Council will endeavor to complete these works as quickly as possible to reduce the inconvenience to residents. Should you require any further information and / or clarification, please do not hesitate to contact me on 9078-6156 during regular work hours or by email at [james.keohane@burwood.nsw.gov.au](mailto:james.keohane@burwood.nsw.gov.au)

Thank you in anticipation for your co-operation in this matter. By working together we can make our Community an even better place to live, work and enjoy.

Yours sincerely

James Keohane
