

Parramatta Road and Luke Avenue Pedestrian Crossing

Transport for NSW acknowledges the Wangal people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

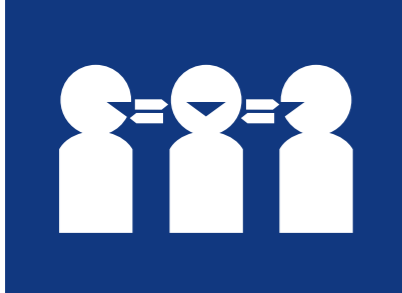

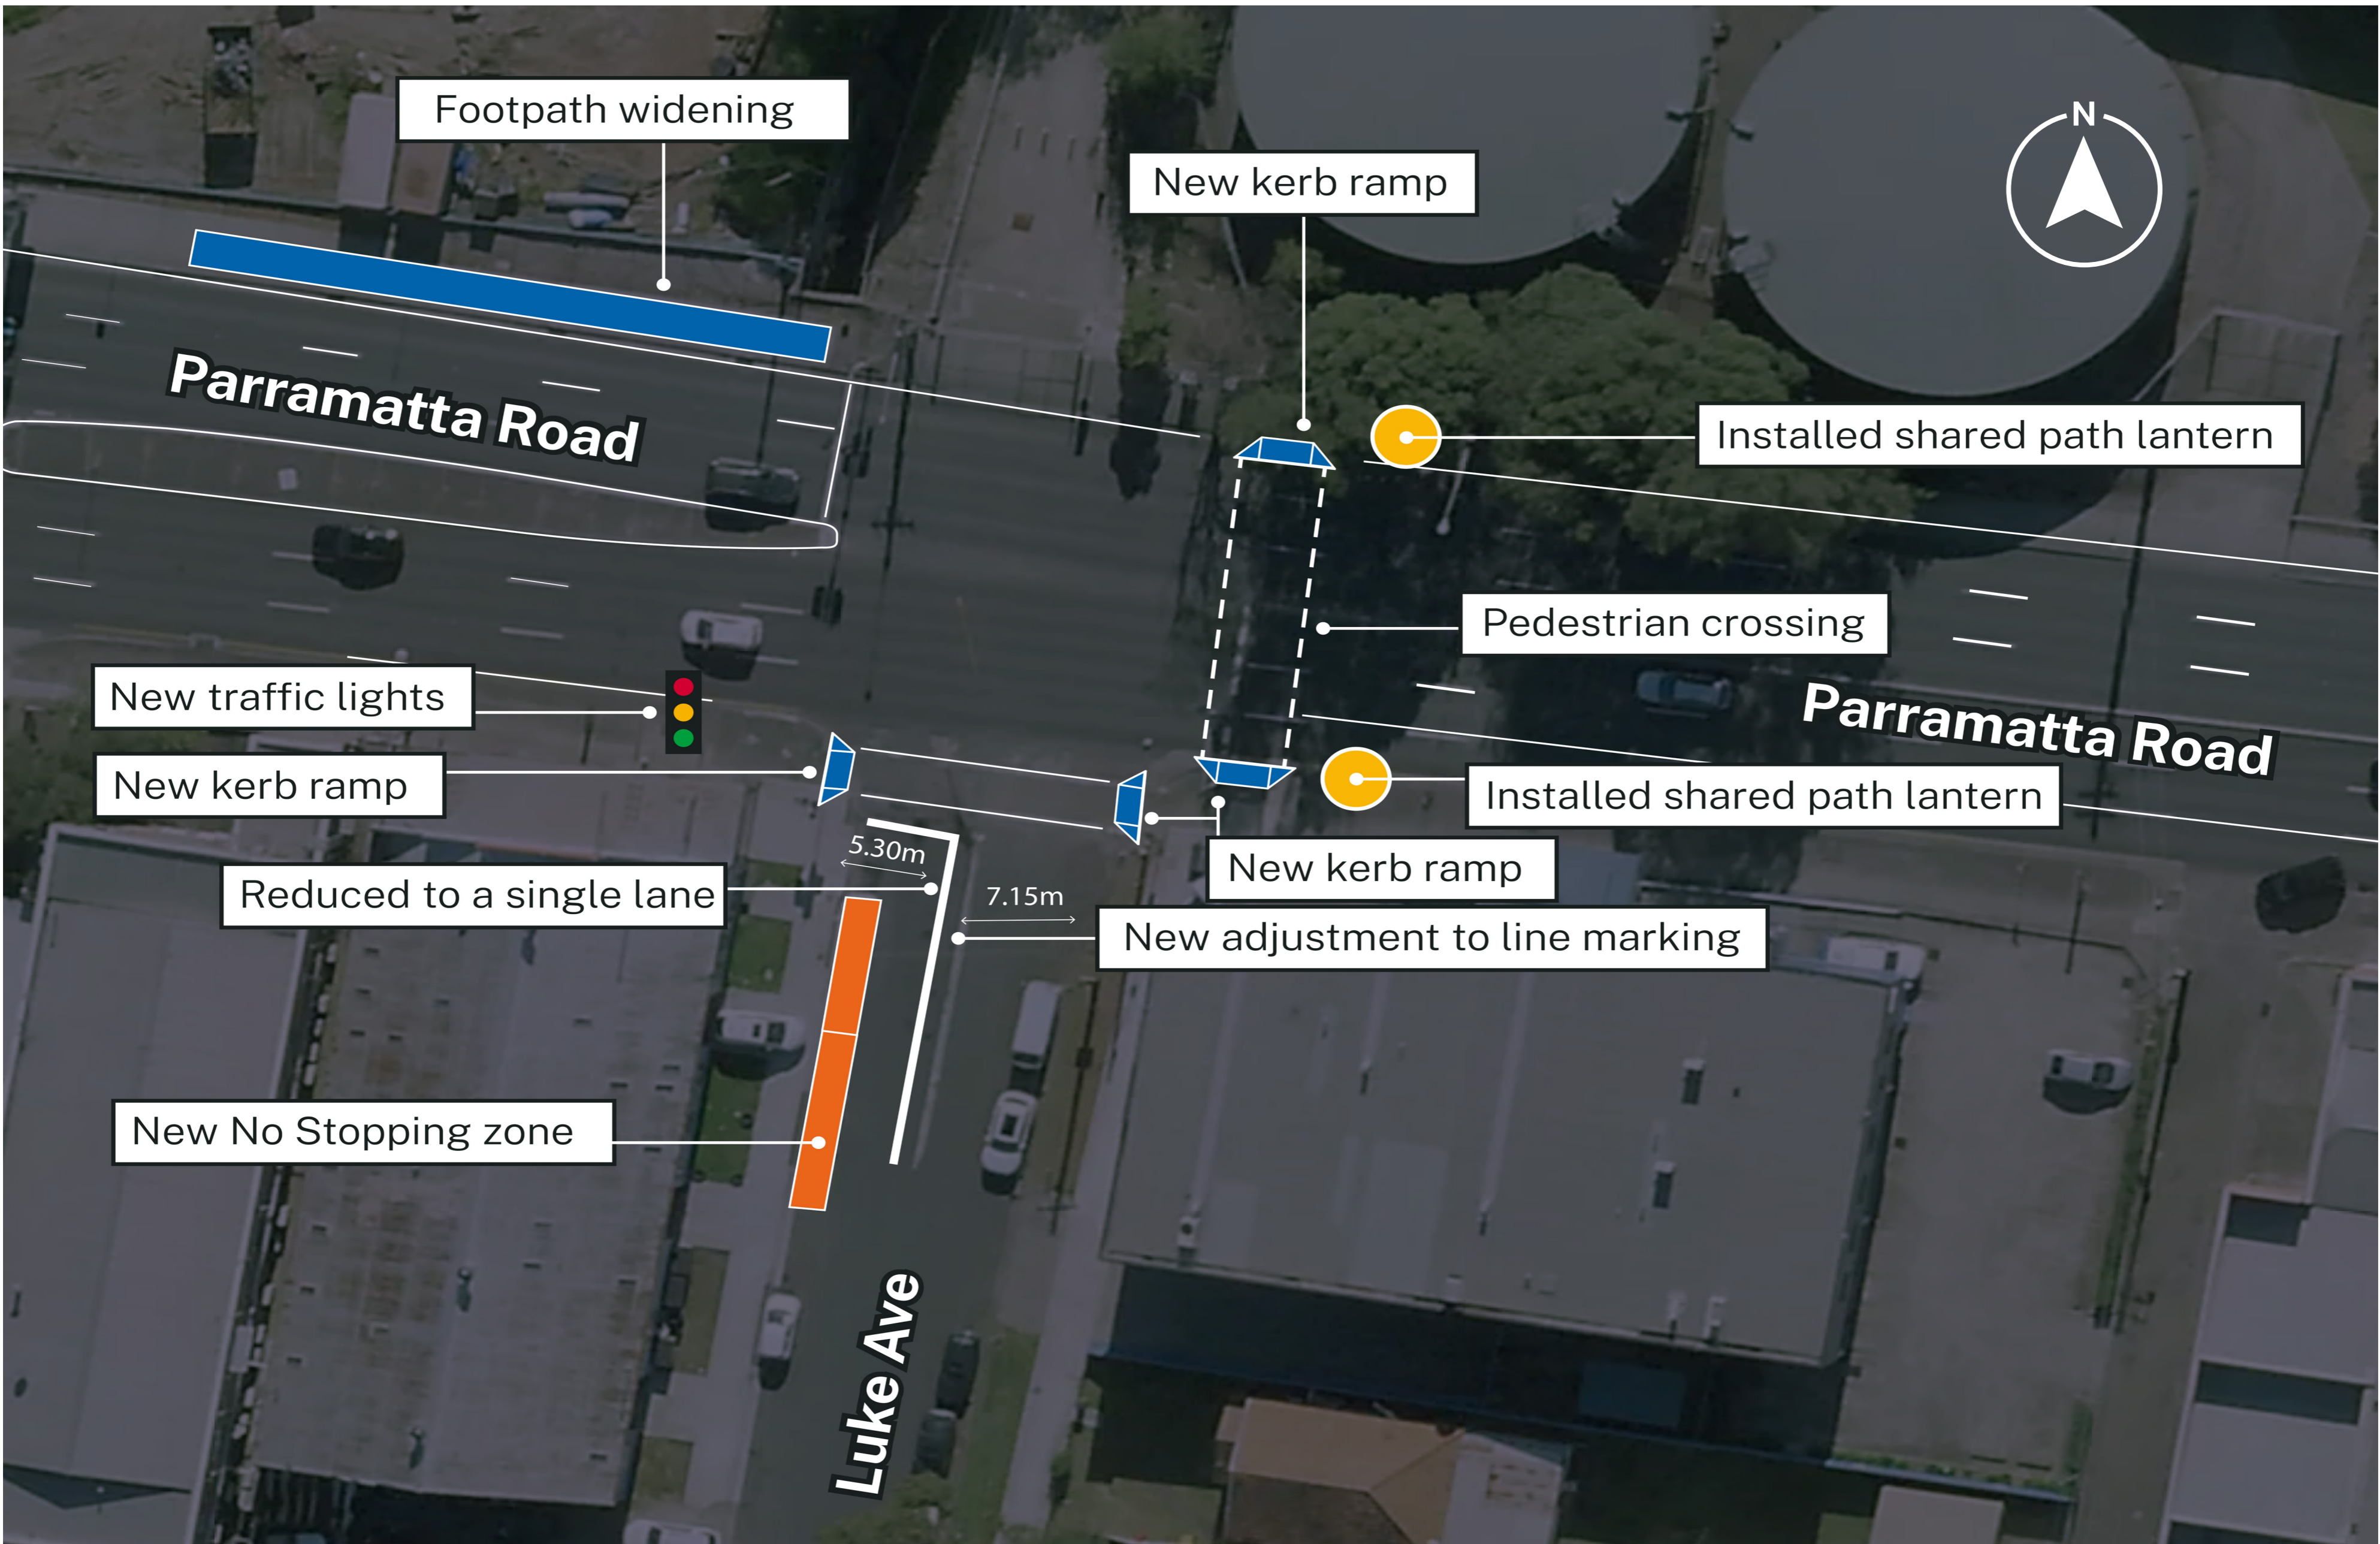

Notice of works

Transport for NSW is delivering improvements to Parramatta Road to provide a continuous walking and cycling route from the Concord Oval to Luke Avenue, giving you more options to walk, cycle or move around your surrounding area.

These works are scheduled to take place between 7 May and 20 August 2023 for up to 5 nights per week. Our night shift hours will be between 7pm to 5am, Monday to Sunday.

To find out more, use the QR code to go to the project website.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport Projects on **1800 577 441**. The interpreter will then assist you with translation.
