# Introduction

## The Integrated Planning and Reporting Process

### Burwood2030 Community Strategic Plan

### Delivery Program 2018-2021

### Operational Plan 2020-2021

### Half Yearly Report 1 Jan 2021 to 30 June 2021

This report forms part of Council's Integrated Planning & Reporting documentation. It is qualitative reporting communicated through a transparent and streamlined process to allow better access to information for residents.

This Half Yearly Report is the final report for the Operational Plan FY2020-2021. It provides the community with a summary of how Council has responded in the second half of this financial year to the strategic goals, objectives and planned actions outlined in the Delivery Program 2018-21.

Strategic goals, objectives and actions are grouped under five themes:

1. Community and lifestyle
2. Leadership and innovation
3. Healthy and sustainable environment
4. Planning and infrastructure
5. Vibrant city and villages

This report addresses the 147 actions incorporated under these themes and found into the Operational Plan.

## Measuring our success

| 1.3.2.2 | Assets & Infrastructure  | Implement place activation and design solutions that beautify the area and deter anti-social behaviour | Progressing | <p>Glass balustrade fencing has continued to be installed at a number of locations along the Burwood Road corridor. As part of these projects, new outdoor tables and chairs have been built-in to the new environment with an aim to support the growth of local businesses by attracting new customers and providing much needed place activation. The glass balustrading projects were undertaken collectively with Council's Burwood Road Beautification initiative that involved the introduction of new street tree plantings, oversized planters as well as the inclusion of tree wrapped fairy lighting. These works have added some much needed vibrancy to the LGA whilst enhancing its overall aesthetics.</p> <p>The Shopfront Improvement Program Policy has been revamped following a successful trial period and continues to provide local business owners and tenants who want to improve the appearance of their shopfront and building facades funding opportunity. The program aims to support the development of local businesses whilst raising the image of the Town Centre.</p> |

| 1.3.2.3 | Assets & Infrastructure  | Enhance street lighting, increase visibility and promote activities in and around town centres at night | Progressing | <p>LED lighting has become an integral part of the street lighting network. Given the importance of the technology Ausgrid has continued to update its list of approved lanterns for pedestrian (P) category lighting and has now included an even more diverse range of LED options. Fundamentally, LED technology has provided an increase in visibility, improved reliability, enhanced energy efficiency but more importantly has reduced the overall running costs for Council. As of 1 June 2021, 1367 street lights have been upgraded to LED's within the Burwood LGA, all 100% of Council's local road street lighting inventory.</p> <p>Fairy lights have been installed around the tree trunks of the existing street trees within the Burwood Town Centre, at the Georges River Road shopping precinct as well as along The Strand in Croydon. Catenary lighting has also been mounted in Hornsey Lane, adjacent to the new Burwood Council Chambers. All these lighting projects have been designed and developed to improve the appearance of the corresponding areas but more notably to activate the area by adding much needed life and vibrancy.</p> |
