## ACKNOWLEDGEMENT OF COUNTRY

Burwood Council acknowledges the Wangal Clan of the Eora Nation, the traditional custodians of the lands in which the Burwood local government area is located.

We pay our respects to their elders past, present and emerging. We acknowledge and respect their cultural heritage, beliefs and ongoing relationship with the land.

# About Burwood

Located between Sydney and Parramatta cities, the Burwood local government area is a melting pot of culture with a thriving business and retail centre surrounded by historic villages, each with their own distinct character and charm, including Burwood Heights, Croydon, Croydon Park, Enfield and Strathfield.

The quality of life residents enjoy, the central location, local schools and excellent transport infrastructure has made Burwood an attractive destination for people to live, work and visit.

The Burwood Local Government Area is rich in cultural diversity with more than half of our residents born overseas. Burwood Council covers 7 square kilometres with a population of more than 39,800.

# Mayor's message

I am pleased to introduce Council's Operational Plan for 2020-2021.

Each year, Council reviews its Operational Plan to ensure we are responding effectively to the changing needs of our community. Over the past few months Council has been out and about listening to what's important to you and where Council should set its priorities.

The 2020-2021 Budget and four year financial projections, which you will see in this Plan, were developed so Council can fulfil its commitment to deliver the community's vision and aspirations as outlined in the Burwood 2030 Community Strategic Plan.

We will continue to improve our services and facilities to support the needs and lifestyle of our community. Building on our programs will ensure a safe and sustainable environment and provide opportunities for our residents, local businesses and visitors to celebrate our diverse and rich cultural life.

We will invest in infrastructure projects and renewal works that enhance the health and wellbeing of our residents. These include the Enfield Aquatic Centre upgrades, Henley Park Amenities building upgrade, improvements to the surrounding sportsgrounds and a focus on much-needed stormwater drainage.

I am proud of the work completed in the previous year that enhanced the attractiveness and safety of our town centres and it will continue with Stage 2 of our beautification program. Along with our commitment to increase public art, this will make our streetscapes and open spaces more vibrant, greener and people friendly for residents and businesses. We will build on the '500 trees' program to bring shade and colour to our suburbs.

I remain committed to actively engage with our community. Your input and feedback are a valuable and valued part of what makes Burwood an inclusive, dynamic and exciting place to live, work and visit. I look forward to working with my fellow councillors, staff and the entire community in delivering this Operational Plan over the coming year.

**Cr John Faker**  
Mayor of Burwood

# General Manager's message

The first six months of 2020 presented enormous challenges for our community and our Council, and we find ourselves in a very different place than this same time last year.

But our outlook on the future remains optimistic, built on the great partnership between Council, community and businesses that has been our strength during the COVID situation and which will continue to be the backbone of our success over the coming 12 months.

This Delivery Program and Operational Plan acknowledges the change we have experienced, provides support and stability, and takes the opportunity to promote innovation and collaboration.

As a Council we continue our transformative journey as we strive to improve the customer experience in all aspects of our business, as well as enhance our digital capabilities to provide flexible and environmentally sustainable services, such as our Development Application portal, enhanced electronic forms and payments, and streamlined requests and issues reporting, all consolidated in our brand new website.

Our community engagement will be strengthened through our very active social media channels including WeChat and other multicultural media.

We believe in celebrating our diversity, and we seek ways to establish better connections and meaningful interactions with the many groups and businesses that make Burwood such a colourful and exciting place to be.

As our community grows, Council continues to innovate to meet its needs. The opening of our renovated and expanded Community Hub and Library will bring together multiple services integrating our customer service centre, innovative new community spaces and relocating the Council Chambers, and it will quickly become an active community precinct.

Finally, this Plan also sets out our strategic position and charts a path that will see us continue to build partnerships with neighbouring councils and state and federal agencies to cement Burwood's position as the strategic hub of central Sydney.

Our main goal remains to improve the accessibility and amenity of our area, to create a livable and lovable place for those who have resided in Burwood for a long time and for those who choose to work, study, live and grow their families here.

**Tommaso Briscese**  
General Manager

# Implementing the vision

## Integrated Planning and Reporting

The Operational Plan is part of the process of Integrated Planning and Reporting (IP&R). The process is led by the NSW Government and provides a framework for all NSW Councils to plan, deliver and monitor services for our community. The key elements of the framework are structures as follows:

1. *Burwood 2030* Community Strategic Plan (CSP) identifies the community aspirations for 2030.
2. Delivery Program 2018-2021 is a three to four year Council plan that sets out the goals and objectives Council will undertake during its term of office.
3. Operational Plan and Budget 2020-2021 outlines the annual actions and planned expenditure that Council will undertake work towards the community's vision.
4. The Resourcing Strategy outlines how Council will resource its long term commitment.

## Understanding the Delivery Program and Operational Plan and Budget

The Operational Plan is divided into five themes identified in *Burwood 2030* Community Strategic Plan (CSP):

- Community and lifestyle
- Leadership and innovation
- Healthy and sustainable environment
- Planning and infrastructure
- Vibrant city and villages

Each theme has a series of numbered strategic goals and objectives linked to the CSP through the Delivery Program to ensure that Council is delivering services in line with the community's vision.

Responsibilities have been allocated to each of the objectives and achievements have been identified for Council to implement through the Operational Plan 2020-2021.

## Reporting on the outcomes

The objectives outlined in the Delivery Program and Operational Plan will be assessed and reported on a half-yearly basis.

Progress reports will be provided to the Council and the public.

Council's Annual Report will include annual achievements made in line with the Community Strategic Plan.

## Endorsing the Plan

The Delivery Program and Operational Plan and Budget will be placed on exhibition from 24 June 2020 until 22 July 2020 and members of the community are invited to provide their feedback.

BURW2030D

# Budget 2020–2021

# Budget overview

## Delivering for our community

Burwood Council's Budget 2020-21 and four year projections have been developed with a clear focus on delivering the community's long term vision outlined in the Burwood2030 Community Strategic Plan.

The Operational Plan puts into action the objectives the community has identified as high-priority and forms part of the Delivery Program 2018-2021.

The following major projects have been considered in the budget:

- Town Centre Beautification – Stage 2
- Enfield Aquatic Centre upgrade
- Henley Park Amenities Building upgrade
- Parks and Playground upgrade
- Ongoing infrastructure and renewal works
- Tree planting program
- Stormwater drainage upgrade

## Funding our future

In addition to delivering these services to the community, Council is committed to maintaining long term financial sustainability and aims to achieve this through strategic planning and prudent investment.

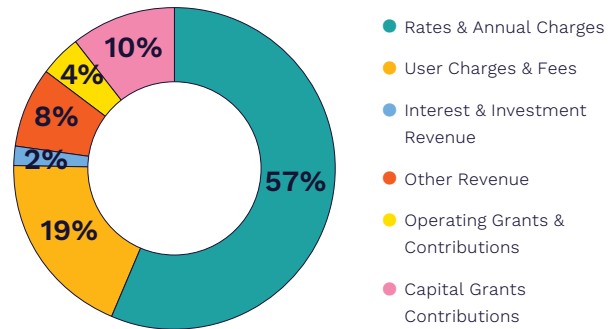

To ensure Council continues to deliver services at its current level, Council has applied the Special Rate Variation approved by the Independent Pricing and Regulatory Tribunal (IPART) for the second of four year period of 2% above the rate peg rate per annum.

The additional funding received from the special variation will be used to fund additional infrastructure upgrade works on Council's stormwater drainage network throughout the local government area.
