We currently have school programs at the centre through to the end of the year and upcoming school carnivals starting in October 2024 to March 2025.

Be sure to view our online live [Pool Availability](#) schedule before you visit the centre to know when the facilities are best available.

The Splash Park is open!

As the weather is heating up, we are continuously monitoring the temperature of the Outdoor 50m Pool. With the water temperature sitting on the cooler side of 17 degrees Celsius, the pool will still remain closed for the season.

## Respecting Bathroom Use

We all enjoy the facilities at our aquatic centre, and part of that experience is ensuring everyone has fair and timely access to our amenities, including the changerooms.

We kindly ask all patrons to be mindful of their time in the changerooms, specifically the Family and Accessible changerooms located in both the Program Pool and Indoor 25m Pool.

Prolonged use of these changerooms can cause unnecessary delays for others who may be waiting.

Please be considerate of your fellow patrons by keeping your time in these changerooms to a minimum. This will ensure the facility runs smoothly for everyone's enjoyment.

Thank you for your cooperation!

## Parking at Enfield Aquatic Centre

The nearest streets outside the front of Enfield Aquatic Centre can become quite full at times, especially during after school hours whilst activities are happening in both the Centre and Henley Park.

There is a carpark located behind the centre that is shared with Grant Parks basketball courts. Entry points to the carpark are via Shelley Street and Ann Street.

**Please note, there is no entry/exit access from the back gates for EAC visitors. Visitors must enter/exit the centre through front reception.**
