### Big step forward for library upgrade, new community spaces

I'm delighted to see a key piece of infrastructure installed for our plans to upgrade Burwood Library and provide new community spaces.

The link bridge will allow library users easy access to the new community spaces being prepared at the neighbouring 8 Conder St site.

We're investing almost \$10 million to provide a greater capacity library, and new community spaces which will allow for music practice, art exhibits and more.

### New rotunda, picnic setting at Woodstock

I'm pleased to let you know a new rotunda and picnic setting are being installed at Woodstock Community Centre.

Just in time for the warmer weather, these improvements should provide shade and enjoyment for families.

### Our contemporary identity unveiled

Burwood is soon to have a bright, new brand identity following community engagement and research.

The previous Council logo had been around since the 1930s. Since then, Burwood has significantly evolved. It's timely that Council rebrand to reflect what Burwood is today and will be in future - a vibrant and diverse place, rich with heritage.

While the new look is exciting, Council branding will not all change overnight. The sustainable rollout will keep costs and material waste to a minimum with new branding replacing items only when needed.

### Learn about stroke prevention

Learn about the warning signs of stroke, and how to prevent it, at Burwood Library.

An expert will discuss these matters on Friday 6 September (with Mandarin interpreter), and on Wednesday 11 September (with Cantonese interpreter).

The free talks run from 10am to 12pm.

### Tasty treats at food market

Discover delicious treats and enjoy a jovial atmosphere at a gourmet food market at Woodstock Community Centre on Sunday 8 September.

About 80 stalls will offer fare ranging from jams and chutneys, homemade cakes, seasonings and more.

There will be free tastings, cooking demonstrations and a band playing. Upmarket@Woodstock trades 10am to 3pm.

### Fascinating stories on history tour

Join us as we explore St Thomas Cemetery in Enfield, the final resting place of early settlers, as part of History Week.

Meet at 9.45am outside the church at the cemetery. The tour runs till 11am.

Book via the Whats On link at [www.library.burwood.nsw.gov.au](http://www.library.burwood.nsw.gov.au) or call 9911 9999.
