Serving our vibrant community

As Mayor I'm passionate about delivering the best services and initiatives to our vibrant community.

I recently presented awards to young members of our Summer Reading Club for their outstanding efforts reading over 1,598 books during the break.

This Saturday we will be joined by thousands at our China Fun Carnival in Burwood Park, with a wide variety of market stalls, traditional dance, family-friendly activities and performances.

Last week I had the honour of being re-elected as President of Southern Sydney Regional Organisation of Councils (SSROC) for 2019-2020.

SSROC is made up of 11 Sydney Councils covering a third of the Greater Sydney's population or 1.7m people, and undertaking projects that cross council boundaries achieving results that will contribute to the sustainability of member councils and their communities.

Improving Henley Park

Council's \$4.5 million Henley Park upgrade is well underway. We were thrilled with the positive feedback we received with the completion of two new playgrounds with shade structures, new flying foxes, exercise equipment stations, new cricket nets and cricket pitch, and an outdoor chessboard and the amenities building canopy.

Last week Council received \$165,000 funding boost from the Enfield Rovers Soccer Club towards the cost of the upgrading of floodlights at Henley Park.

Household Waste Audit

Burwood Council has commenced auditing 220 randomly selected households across the Council area over one week each night prior to the normal collection since last week.

The audit provides valuable information for Council to enable us to tailor our education messages to the community and will assist Council to improve future services to our community.
